

The Weizmann Institute of Science

Form of Agreement Concerning Intellectual Property¹

BRETEN, TIMO-CAN ENGIN	NIJMEGEN, GELDERLAND, NL
Full Name (In Block Letters)	City, State, Country
Prof. DAVID CAHEN	
Name of Host	Hosting Department

The practices prevailing at the Weizmann Institute of Science (hereinafter: "the Institute") with regards to inventions and discoveries (collectively: "inventions") of scientist of the Institute, apply also to the inventions arrived at by any person, during the period of his or her research at the Institute or the use of the facilities of the Institute all in accordance with the rules of the Institute with regards to such inventions.

I, the undersigned, Timo Bretten, being a:
(please mark the relevant square)

- ☐ Post Doctorate at Feinberg Graduate School
- ☐ Student at Feinberg Graduate School
- ☐ Student in the SMD PhD track at Feinberg Graduate School
- ☐ Visiting Student in the Weizmann Institute of Science
- ☒ Student in the summer program at Feinberg Graduate School

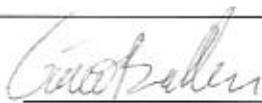

Hereby undertake approve and consent to be bound by the practice of the Institute relating to inventions and to act in accordance to the Institute Rules for Intellectual Property and Conflict of Interests² (hereinafter: "the Rules") as follows:

¹ To be completed, signed, and submitted to the office of the Vice President for Technology Transfer. Fax: +972-8-9344153, Tel: +972-8-9343899

² Copies of the document "Rules of Intellectual Property and Conflict of Interests" are available from the office of the Vice President for Technology Transfer. The document can also be viewed at <http://www1.weizmann.ac.il/vptt/>

1. All right, title and interest in the intellectual property, (including inventions, patents, copyrights, samples, breeders rights, trademarks and confidential information) which I shall create, either by myself or together with others, in consequence of my studies at Feinberg and/or my participation in the research executed in the Institute, whether registered or not, including any work, innovation, development, notion, technology, work methods, processes, research data, electronic rights, report, plan, specification, sketch, program and/or any other right whatsoever (hereinafter: **"the Property"**) shall be in the full and absolute proprietorship of the Institute or Yeda Research & Development Company Ltd. (hereinafter: **"Yeda"**) and I shall not have any right of any kind and type whatsoever in the Property. The Institute or Yeda shall be entitled to make any use and/or disposition thereof, according to their sole and absolute discretion, including the registration of the rights in the Property in their favor.
2. I shall report to the Vice President of Technology Transfer of the Institute (hereinafter: **"the Vice President"**) and also to Yeda about any kind of Property which I will conceive, within the process or in consequence of my activity, as stated.
3. I undertake to take any action necessary in order to transfer and/or register the Property in favor of the Institute or Yeda and/or in order to assure their proprietary interest in Israel or overseas, during my studies at Feinberg and/or my participation in the research executed in the Institute and thereafter.
4. As a student, studying at Feinberg and/or as a participant in a research executed in the Institute, I agree to keep the confidentiality of any inventions, which I will conceive during or within the framework of my studies and/or participation in the research executed in the Institute and in of any applicability of the research conducted at the Institute.
5. In the event that Yeda shall actually receive any consideration (either monetary or money equivalent) (hereinafter: **"the Receipts"**) in accordance with an agreement with a third party (with the exception of service agreements) Yeda shall transfer to the inventors of such invention, which is subject to an agreement as stated, a certain part of these Receipts, after deduction of the expenses of Yeda. The cumulative share of the inventors from the Receipts is determined according to the policy of the Institute at such time. It is clear to me and I agree that in the event of more than one inventor, the share of each of the inventors shall be determined in agreement between them. In the absence of an agreement between the inventors, the share of each of the inventor shall be determined according to the process, specified in the Rules.

6. Without prejudice to the generality of that stated above, I hereby confirm that I read the Rules and I accept its contents. The Rules, which will be in force from time to time, shall apply to me and be binding upon me for each and every purpose, and I am obligated to act according to it. Furthermore, I approve that I do not have any other commitment whatsoever, which is in contradiction with my aforementioned obligations or such that prevents me from meeting my said obligations.
